FEEL SAFE

WHAT DO WE KNOW ABOUT EARTHQUAKES? SOLUTIONS FOR THE TEACHER

WORD TO BE GUESSED	FORBIDDEN WORDS
Hypocenter	center, depth, waves
Mercalli Scale	intensity, scale level, damage
Richter Scale	magnitude, seismograph, energy
Fault	Earth, crack, break
Tsunami	water, waves, coast
Seismograph	instrument, measurement, earthquake
Epicenter	center, shake, strong
Earthquake	quake, tremor, earth
Building	house, edifice, construction
Shake	wave, oscillation, tremor
Scale levels	measurement, Mercalli, damage
Intensity	force, damage, measurement
